When Jesus visited, Martha was focussing on “what could I do to Jesus.” On the other hand, Mary asked herself “how can I be with Jesus.” As a result Mary went quiet and she was able hear everything that Jesus is for her. On the contrary, Martha felt a higher level of stress and the noise in her head exploded.

Where am I taking my life? Do I enjoy and celebrate my being with others or burying myself with work. This week can I relax and give more time for “being” rather than “doing.”

Have a happy week! Fr Leo
