#### **Finding God by losing all**

*Matthew 10: 17-42*

St Ignatius of Loyola preferred and loved God above everything and everyone. This week I pray along with St Ignatius:

*Take, Lord, and receive all my liberty, my memory, my understanding, and my entire will, all I have and call my own. You have given all to me. To you, Lord, I return it. Everything is yours; do with it what you will. Give me only your love and your grace, that is enough for me.*

## Sea Sunday 9th July

Seafarers and fishers play a vital role in all of our lives, but they often work in difficult, hazardous conditions. In the last year, more crews have been abandoned by their employers than ever before. Many are still being denied the right to leave their ships for even a short break away from the relentless noise and pressure onboard. Many are reporting more stress and poorer mental health. Sea Sunday is Sunday 9th July. It is when the Church prays for all those who live and work at sea. Your support will make a big difference to seafarers and fishers in need. You can donate in church, by visiting [www.stellamaris.org.uk/donate](http://www.stellamaris.org.uk/donate), or by texting 'SEA' to 70460 to donate £5. This collection is vital to enable Stella Maris (formerly called Apostleship of the Sea) Thank you.

## Urgent: Stop UK Government Funding China's Genocidal Regime SPUC

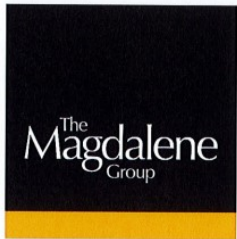

(The Society for the Protection of the Unborn Children) will be holding a Petition Day next weekend. SPUC wants a world where abortion is unthinkable, and is raising awareness of the widespread problem of abortion coercion. The petition calls for the Prime Minister to end the Government's unacceptable funding of China's totalitarian state. The Chinese state imposes forced abortion, sterilisation and infanticide on its own population, notably the Uyghur minority. According to the Chief Commissioner of the Independent Commission for Aid Impact, the UK Government sent over £60 million to China in 2020-21. Please sign the petition to help defend unborn babies, and their mothers, by highlighting this terrible human rights abuse.

## Pilgrimage of Reparation & Prayer for the Sanctity of Life, to Walsingham on Saturday 5th August, led by Archbishop Kevin McDonald

For details see the poster on the noticeboard, or go to [www.prolifepilgrimage.org](http://www.prolifepilgrimage.org) Please join in the 'great prayer for life' asked for by Pope Saint John Paul II. There is great need for prayer. The UK Government have pressed on with their determination to impose abortion on the unwilling population of Northern Ireland. There is continued pressure to introduce Assisted Suicide, a Parliamentary Committee in England and Wales is currently taking evidence. Looking more widely there is increasingly aggressive silencing of views opposed to the liberal agenda, the latest examples being the arrest of a woman for silently praying outside an abortion clinic which was not even open, and the imposition of 'buffer zones' around abortion facilities. We hope that you will encourage many parishioners to join the pilgrimage, if not in person then online, and through the year to come to help as many as possible to 'accept the gift' of life.

The Magdalene Group is approaching 30 years of providing dedicated services reaching out to prevent sexual violence and exploitation of vulnerable women and young people.

Founded by two magistrates in 1994 and supported by the Christian community.

Engaging with vulnerable women who have experienced sexual and physical abuse, violence, imprisonment and spent time in care. We know only too well that lives which are controlled, coerced and groomed into trafficking, sex work and exploitation result in addiction, homelessness, trauma, and severe and enduring mental health issues. We know that relationships can transform lives and we have established an excellent reputation for building trusted relationships and providing trauma and gendered support engaging with those who are marginalised, hidden and experiencing multiple disadvantages. Our expertise makes us well placed to recognise the routes into sexual exploitation and effective prevention interventions. Our

spectrum of services includes:

**Doorway Women's services** works with women victims of sexual violence and exploitation in Norwich and provides tailored support covering every aspect of women's lives.

**ROSE** provides support for young people affected by child sexual exploitation (CSE) throughout Norfolk. Lockdown played a huge role in them spending more time alone, at home on their devices and last year we saw an increase of 50% for referrals for young people who have been groomed online to send images of themselves to strangers.

**Jigsaw Education programmes** starts early by going into schools and colleges throughout Norfolk to deliver engaging and interactive sessions on key topics such as online safety, consent, peer-on-peer abuse, sexual violence, and healthy and exploitative relationships. If you can raise children's awareness of what constitutes healthy relationships and develop their understanding of key issues such as consent and grooming, you can reduce exploitation.

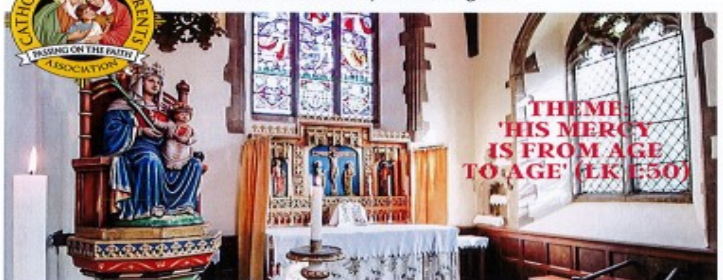

We would value your ongoing support through providing someone who feels compassion for our work to join our six weekly prayer group or volunteering programme.
