

EVENTS FOR CHRISTIAN UNITY WEEK

This is the week of prayer for Christian Unity. The usual service in Burwell has obviously been cancelled, but the four churches (Anglicans, Methodists/Congregationalists/Baptists and us) have put together a service of commitment and recorded it. Deacon John has designed it and will lead it with readings and prayers from all the churches, and Deacon James is the preacher. It is intended to be a service of hope. It will be available from **6pm on Saturday 23rd January** on St Mary's Burwell YouTube channel https://www.youtube.com/channel/UCxR2cc_zw4kgBSKBYc9NU8w and on Facebook from 8.30am on **Sunday 24th January** at <https://www.facebook.com/churchestogetherburwell>

There is also a short service of readings and prayers for an end to COVID, again led by Deacon John and involving all the churches and that will be available on RADIO BURWELL live at 430 on Sunday afternoon (24th). There is a weekly 'Cross Talk' half-hour every Sunday afternoon at that time with the four churches taking it in turn to lead: <https://burwell.radio> (the 'listen' button is on the top right of the screen).
