

Radio Maria England

Based in Cambridge, **Radio Maria England** is a 24hr Catholic Radio Station set up to broadcast programmes promoting and expressing the Christian Faith. It aims to support Catholics and others in their spiritual life and witness to those who wish to learn more about the Catholic Faith. It is part of the **World Family of Radio Maria**. Radio Maria currently has 77 radio stations across 5 continents with 500 million listeners world-wide. Radio Maria responds to Jesus' continual invitation: "Go into the whole world and proclaim the Gospel to every creature" (Mk 16:15). This is why Radio Maria is not a traditional radio, with journalists and editors producing daily content, **but rather gives voice to the Church in its charism of prayer, proclamation, evangelization, and witness**. It airs all the charisms that the Holy Spirit arouses in our days, in our local and universal Church. Over the airwaves, Radio Maria works to bring the gifts that come from spreading the Gospel: salvation for every person through Jesus Christ.

Radio Maria pays special attention to those suffering in body and spirit, the lonely, the elderly, the poor, and the imprisoned. With respect for all people, we courageously witness to God's love and the hope of eternal life.

The main themes of our programming are:

- prayer;
- the call to conversion;
- evangelization;
- human and social formation;
- news from Church and society

We strongly encourage each parishioner to make an effort to access the Radio Maria station, so as to develop their own spiritual life in whatever language is relevant and to encourage others to do the same. Please see posters at the back of the church or you can visit the website:
