**Parkinson's Grand Quiz Night 6 April** Members of the Parkinson's Newmarket Support Group would like to thank Father Simon, Deacon John, Rita and others in the Parish for their splendid support – either in attending the event or helping us to organise it. We raised the fabulous sum of £1,500, every penny of which will go towards research to find that elusive cure. If you are aware of anyone suffering from Parkinson's who might benefit from coming along to one of our Support Group meetings, please put them in touch with Philippa Hull or John Morris via the Parish Office.

**Steel Bones.** The Joy-Staines family are about to undertake a massive fundraising challenge of climbing Mount Snowdon. Leigh is an amputee and they started the charity Steel Bones to help support other amputee families. Steel Bones is completely voluntary every penny goes to helping more amputee families. There's 55,000 new amputees each year so every penny counts massively !! They will be climbing with 28 other amputees and their families some are doing it on crutches !! We would be most grateful for any pennies or pounds you can spare to help spur the group on. Teddy who is 7 years old will also be undertaking the challenge please either click onto

<https://www.justgiving.com/fundraising/emma-and-teddy-joy-staines> or sign up at the form at the back of the Church. Thanks so much to you all !!

**GDPR**—four letters that are striking fear into the hearts of businesses and charity organisations everywhere! We too are affected by this new legislation because we cannot hold any data about you without your **express** consent. So over the next month or two we will be asking you to re-register as parishioners using a legally compliant form so that we can assemble a new parish database. The old one will have to be deleted. So, if you know of people who would want to stay 'on our books, then please give them a form to fill in and return to the parish office. Ta.
