Irish Referendum on the Eighth Amendment, 25 May 2018

In their Spring Statement, the Irish Bishops wrote, "Article 40.3.3 is a declaration of equality and respect for human life. It represents, at the very foundations and substructure of our laws, a conviction that all human life is worth cherishing equally. To repeal this Article would leave unborn children at the mercy of whatever permissive abortion laws might be introduced in Ireland in the future. We invite people of faith to pray earnestly that Ireland will "choose life" and that the lives of all women and their unborn children will always be loved, valued, welcomed and respected in this country." GDPR—four letters that are striking fear into the hearts of businesses and charity organisations everywhere! We too are affected by this new legislation because we cannot hold any data about you without your **express** consent. So over the next month or two we will be asking you to re-register as parishioners using a legally compliant form so that we can assemble a new parish database. The old one will have to be deleted. So, if you know of people who would want to stay 'on our books,' then please give them a form to fill in and return to the parish office.

Youth Group meets every Tuesday in term time in the parish centre, 5:45-7pm, for games, sweets, prayer, bible, questions and friendship. Anyone is welcome any time.
