A.O.S. (Apostleship of the Sea) Julian Wong writes: *"My sincere, heartfelt thanks to your parishioners for their generosity with Christmas gifts for the seafarers. I have also informed Sr. Marian Davey, who I believe first made contact with your parishioners some years ago. She was delighted to hear that they are continuing to support the seafarers and Apostleship of the Sea (now officially changed its name to Stella Maris).*

Before leaving and while waiting for my transport to arrive, I chatted with 2 young Filipino seafarers on deck at the top of the gangway. One of them will be home in February, but the other one won't be home till October next year!

It was impossible to get all the crew round for photo shoot as most of the time, most of them would either be working or resting."

There are photographs which Julian took of the seafarers with the gifts, which you all contributed to, on the board in the Narthex. Please take a moment to look at these as you leave church today.
