## **FRATELLI TUTTI- BROTHERS AND SISTERS ALL**

*For a healthy relationship between love of one's native land and a sound sense of belonging to our larger human family, it is helpful to keep in mind that global society is not the sum total of different countries, but rather the community that exists among them. The mutual sense of belonging is prior to the emergence of individual groups. Each Particular group becomes part of the fabric of Universal communion and there discovers its own beauty. All individuals, whatever the origin, know that they are part of the greater human family, without which they will not be able to understand themselves fully.*

*Pope Francis*

### **An Easter Message from Bishop Alan**

*At Easter, and every day in the celebration of the Mass and in the Church's whole life of worship, proclamation, and love, we are reminded that the horror of Calvary is not the end of our story.*

*The mystery of the Resurrection breaks into our confusion with a bright and radiating change for the better. Nothing can ever be the same again. Men and women can never remain exactly the same. The truth and brightness of the Resurrection shattering our prison bars is not a distant theory, but our real, Christian experience of a life of Faith in the Risen Lord. Our co-operation with Gods guiding hand over time gradually changes the way we act, and how we read the signs of the times within and around us. After tragedy, God re-creates. Wounds remain, but with eyes of faith focussed in hope on God's promises, we may see the vitality of his new creation.*

*We have recived the gift of new life through, with, and in Jesus Christ for a particular purpose: to enable us to see his guiding hand in our lives, that no wound is wasted, and that always and everywhere, we may give thanks to him, as we sing, Alleluia.*

**On behalf of Deacon John, Deacon James and myself, I would like to wish you all a very happy Easter. May the Risen Lord strengthen your faith and bring you fresh hope. Compared with last year, it is good to have been able to celebrate Holy Week as a community in Church; albeit with restrictions. I would like to thank those who have worked so hard to ensure the dignified and prayerful celebration of the Liturgies. Our special thanks go to the following; Rota coordinators and stewards, musicians, readers; sacristans and servers; Kasia in the office; cleaners and those who have arranged the flowers so beautifully. Thanks too, for all who give of their time and talents in the service of God and this community.  
Fr. Christopher.**
