FRATELLI TUTTI- BROTHERS AND SISTERS ALL

We need to learn how to unmask the various ways that the truth is manipulated, distorted and concealed in public and private discourse. What we call “truth” is not only the reporting of facts and events, such as we find in the daily papers. It is primarily the search for the solid foundations sustaining our decisions and our laws. This calls for acknowledging that the human mind is capable of transcending immediate concerns and grasping certain truths that are unchanging, as true now as in the past. As it peers into human nature, reason discovers universal values derived from the same nature.

Pope Francis.

Prayerful reading & reflection on Sunday's Readings

This takes place after Thursday Evening Mass.

CHURCH FLOWERS

Please sign up on the list in the narthex if you would like to take a turn at arranging the church flowers. Flowers in front of the altar and the lectern are all that is required for an ordinary Sunday. It doesn't have to be an elaborate arrangement, just flowers in a vase is very acceptable. Flowers can be arranged at home and brought in or arranged at church.

STAMP COLLECTION collecting used stamps for Macmillan Cancer Support. This worthwhile charity will receive donations of £7.50 plus VAT for every kilo donated. Please place any used stamps (with a margin of 1 cm surrounding the stamp) in the box marked Stamps in the Narthex. Many thanks Nigel Brynolf-Trett

LIFTING OF COVID RESTRICTIONS

As from Friday 19th July, covid restrictions will be gradually eased. As from the beginning of August signing will gradually be reintroduced. The collection baskets will be passed round. By September new servers will be recruited. The requirements to socially distance will be lifted. As the Bishops' guidelines only come out Thursday evening, I have not had time to fully evaluate them and to work on their implications for our parish. After consultation I hope to provide a detailed road map which will appear in the newsletter and website next weekend. Because the virus is still out there, hand sanitizing and the wearing of face coverings will continue. Thank you for your continued understanding and co-operation.

Fr. Christopher.

LIVE STREAM

Sunday 10:30 Mass now live streamed every week from our parish.

The Catholic Bishops Conference of England and Wales has produced a very useful searchable guide to Masses across the whole country, including East Anglia. It's easy to search just using your postcode or by selecting a diocese. Narrow down your search results by selecting the Mass Type (Daily, Vigil or Sunday) and you can select from the available languages. All this can be found at:
