FRATELLI TUTTI- BROTHERS AND SISTERS ALL

“Life, for all its confrontations, is the art of encounter”. I have frequently called for growth of a culture of encounter capable of transcending our differences and divisions. This means working to create a many-faceted polyhedron whose different sides form a variegated unity, in which “the whole is greater than the part”. The image of a polyhedron can represent a society where differences coexist, complementing, enriching and reciprocally illuminating one another, even amid disagreement and reservations. Each of us can learn something from others. No one is useless and no one is expendable. This also means finding ways to include those on the peripheries of life. For they have another way of looking at things; they see aspects of reality that are invisible to the centres of power where weighty decisions are made.

Pope Francis.

CHURCH FLOWERS

Please sign up on the list in the narthex if you would like to take a turn at arranging the church flowers. Flowers in front of the altar and the lectern are all that is required for an ordinary Sunday. It doesn't have to be an elaborate arrangement, just flowers in a vase is very acceptable. Flowers can be arranged at home and brought in or arranged at church.

BOXES PLEASE

If anyone has spare cardboard boxes please bring them to church, so that Fr. Christopher can start packing ready for his move to Southwold.

Thank you !

PRAYER FOR THE SYRIAN REFUGEE CRISIS

Dear Lord, our hearts break for Syrian refugees, for those in Syria who are displaced, and for those in the country living under the constant threat of violence. We ask that you give the country's leaders the wisdom and compassion to come to a peaceful solution, so civilians can return home safely.

Lord, for the families and individuals who have left Syria, we ask that you comfort them as they grieve for their homeland. Help them to find new hope and new opportunities. We ask for continued and deepened compassion from host communities — multiply resources so that everyone has enough to stay warm, fed, and safe. May your love, and the compassion of your people, be a world-changing force in Syria. Amen.

APF.MISSIO RED BOXES

A big thank you from the Parish to Carole Barlow who has collected, counted and sent the contents to the APF Missio for over 20 years. The message on each box is- "Your prayers and generosity bring the love and compassion of Jesus to the wide world"

This is truly what Carole has done over these years, a loving example to us all.
