FRATELLI TUTTI- BROTHERS AND SISTERS ALL

There are those who prefer not to talk of reconciliation, for they think that conflict, violence, and breakdown are part of the normal functioning of a society. In any human group there are always going to be more or less subtle power struggles between different parties. Others think that promoting forgiveness means yielding ground and influence to others. For this reason, they feel it is better to keep things as they are, maintaining a balance of power between different groups. Still others believe that reconciliation is a sign of weakness; incapable of truly serious dialogue, they choose to avoid problems by ignoring injustices. Unable to deal with problems, they opt for an apparent peace.
Pope Francis.

Thank you very much for your contributions to the Parish last weekend Offertory (inc standing orders) £ 1,317.92

RADIO MARIA ENGLAND

Based in Cambridge, Radio Maria England is a 24hr Catholic Radio Station set up to broadcast programmes promoting and expressing the Christian Faith. It aims to support Catholics and others in their spiritual life and witness to those who wish to learn more about the Catholic Faith. It is part of the World Family of Radio Maria. Radio Maria currently has 77 radio stations across 5 continents with 500 million listeners world-wide. Radio Maria responds to Jesus' continual invitation: "Go into the whole world and proclaim the Gospel to every creature" (Mk 16:15). This is why Radio Maria is not a traditional radio, with journalists and editors producing daily content, but rather gives voice to the Church in its charism of prayer, proclamation, evangelization, and witness. It airs all the charisms that the Holy Spirit arouses in our days, in our local and universal Church. Over the airwaves, Radio Maria works to bring the gifts that come from spreading the Gospel: salvation for every person through Jesus Christ.

Radio Maria pays special attention to those suffering in body and spirit, the lonely, the elderly, the poor, and the imprisoned. With respect for all people, we courageously witness to God's love and the hope of eternal life. The main themes of our programming are:

- ◇ •prayer;
- ◇ •the call to conversion;
- ◇ •evangelization;
- ◇ •human and social formation;
- ◇ •news from Church and society

We strongly encourage each parishioner to make an effort to access the Radio Maria station, so as to develop their own spiritual life in whatever language is relevant and to encourage others to do the same. Please see posters at the back of the church or you can visit the website: <https://www.radiomaria.org/> . If you would like further help to access the Radio Station or speak to someone then please contact OLISE 01638 662492 or email stetheldreda@btinternet.com
